

WINE ENTHUSIAST

2024 BUYING GUIDE TASTING SCHEDULE

All covered regions are tasted on an ongoing rolling basis. Please continue to send in your samples. To generate fair flights, we pair similar samples from the same region, sub-region, vintage, and price point. We highly suggest that samples are sent well in advance in case there are shipping issues and for bottles to properly rest before tasting. Please check our Tasting FAQ sheet for regions that require pre-approval.

For more information about specific regions, please review our FAQ Information Sheet. Earlier submission of samples is strongly suggested. Please send all shipments using recyclable materials (no styrofoam).
